Program Given at 18th Street School, by Pupils, P.-T. A.

An entertaining program, for which a small admission charge was made, and the sale of homemade candy netted approximately $25 for the Eighteenth Street P.-T. A. treasury Friday night when the children of the school and the P.-T. A. members joined in presenting the entertainment.

The program speaker was the Rev. Herschel R. Griffin, pastor of the Ontario First Baptist church, whose subject was "Building Character into Citizenship." The speaker has a very pleasing address and his talk was replete with many worthwhile ideas and was enjoyed by the appreciative audience.

Other numbers on the program were a cleverly presented playlet, "The House in the Wood," given by the four grades of the school, and two vocal solos by Francis Wilson, who sang "Fairy Bells" and "Desert Dawn."

The proceeds of the entertainment will be used for some improvement or furnishing for the school building.

Clyde Whiteley Back From Trip to Old Home

Clyde Whiteley, agent for the Pacific Electric railway in this city, returned yesterday from a week spent at his old home, Texarkana, Ark., and other points in Arkansas and Oklahoma. Mr. Whiteley reports conditions improving in the district affected by the drouth of last summer. The Texarkana district was not hit as badly as the district east of that city. Farmers have been financed by government loans and conditions at present point toward a good crop this season.

Mrs. Whitely spent the week with relatives in Orange county while her husband was east.

Base Ball To Start June 8 As Final Plans Made For League

June 8 will be the time for the opening game in the Upland night ball league, with Atwood's and Etiwanda playing in the first encounter of the third season here.

Predicted as the best season of any, the teams are more experienced, one new strong entry has been added and players on Cucamonga's 1930 team have strengthened the other teams. Guasti, a new team in the local competition, will be seen for the first time against the Modern Woodmen June 12, Friday night. Lemon Growers and Merchants, traditional rivals, will play in the second game of the season, June 10.

Practice nights have been scheduled as follows: Lemon Growers, Monday; Merchants, Tuesday; Atwood's, Wednesday; Guasti, Thursday, and Woodmen, Friday. The teams will be seen in action each week on the scheduled nights until the start of regular playing.

As was the case last year, a "split" season will be observed. Leader at the time the schedule is half completed will play the leader of the league at the end of the regular schedule for the season championship. This will permit a team that might be weak at the opening of the season to get a new start at half-time.

First half of the schedule follows:

June 8—Atwoods vs. Etiwanda
June 10—Merchants vs. Lemon Growers
June 12—Woodmen vs. Guasti
June 15—Lemon Growers vs. Woodmen
June 17—Etiwanda vs. Merchants
June 19—Guasti vs. Atwoods
June 22—Lemon Growers vs. Guasti
June 24—Woodmen vs. Etiwanda
June 26—Atwoods vs Merchants
June 29—Woodmen vs. Merchants
July 1—Etiwanda vs. Guasti
July 3—Atwoods vs. Lemon Growers
July 6—Lemon Growers vs. Etiwanda
July 8—Merchants vs. Guasti
July 10—Woodmen vs. Atwoods

DRIVER OF DEATH CAR EXONERATED

Evelyn Nelson Dies Following Accident; Inquest Is Held Today

Driver of the machine which hit Miss Evelyn Nelson was exonerated by a coroner's jury in Pomona this morning. The verdict declared the local girl died of hypostatic pneumonia following concussion of the brain received in the accident.

Unable to survive the suffering and shock she received when struck by an automobile in Pomona May 8, Signe Evelyn Nelson died in the Pomona Valley hospital Sunday, and today an inquest was held for officials to study circumstances of the accident.

A native of the state and living in Upland for 14 years, Miss Nelson was a graduate of Chaffey and for several months had been a public stenographer in the chamber of commerce office. She was the daughter of Mr. and Mrs. Carl Nelson and is survived by her parents and a brother, Carl, Jr.

Funeral services will be held in the Upland Presbyterian church at 10 o'clock Thursday morning, with Dr. R. C. Stone in charge. The Stone Funeral home is in charge of arrangements. She was a member of the Swedish lodge of Pomona.

Miss Nelson and Miss Ruth Baldwin were struck by a machine driven by J. J. Mann, Ontario, on Valley boulevard on the east side of Pomona in front of the Moose lodge hall. Miss Nelson received a double fracture of both legs and within a short time a blood clot formed on her brain. She became unconscious soon after the crash.

Miss Baldwin, daughter of Mr. and Mrs. A. K. Baldwin, East Ninth street, was brought to her home from the hospital Friday.

Honolulu Rotarian Visitor at Upland Club Meet Today

A distinguished guest at the meeting of the Upland Rotary club today noon at The Sycamores was Wm. Crawford of Honolulu, superintendent of public instruction in the islands, who is visiting his cousin, Hugh Crawford of Ontario. The former is a graduate of Pomona college and is doing a wonderful work in his present position.

President E. C. Mehl presided at the meeting today and reports on various phases of the recent district convention at Catalina were told in a very interesting manner by Chas. Barr, P. H. McQuillen, J. W. Heinecke and Mr. Mehl, President-Elect G. A. Hanson presiding during the program.

Rotarian Merton E. Hill will preside at the meeting next Tuesday, at which time the annual Crombie Allen oratorical contest by Chaffey high school students will be given, the theme of the orations being on the sixth object of Rotary, international relations.

Anna Grace Buckwalter has been seriously ill the past four months with pneumonia. Miss Buckwalter is still confined to her home.

EARLY-DAY MULE CAR TO BE SEEN

Mode of Transportation on Euclid Years Ago Will Be in Parade

Used in the '90's to carry passengers up and down Euclid avenue, the old mule car will be presented in the parade planned by Ontario in connection with its "First Californians" program.

The old car, which in early days was drawn up Euclid avenue to Twenty-fourth street by mules, is still intact and Charles Latimer, parade committee chairman, has been given assurance by the Pacific Electric that it will be in Ontario for the parade.

Included in the plans for the parade are many of the features incorporated for the first time in Southern California in the Pioneer Pilgrimage here last year. The Ontario parade will be presented June 25.

Chamber Members Are Urged to Meet With Directors on Friday

Members of the chamber of commerce are urged to attend meetings of the chamber directors and the next meeting of the group will be Friday in the Upland cafe.

With plans for the Pioneer Pilgrimage and other civic work occuping the attention, the meeting Friday and later meetings will be of interest to the general membership, it is believed.

Record Sized Bass Is Caught in Lake

Measuring 18 inches in length and 13 inches around the girth, the record size bass this season was caught over the week-end by Fred Eichorn of Ontario, and his name has been entered in a fishing contest conducted by Roy Creighton.

The catch was made at Big Bear, a red head basser being used.

Hostetler Youth Is Taken by Death, Word

Telegram announcing the sudden death of Teddy Hostetler, youngest son of Rev. and Mrs. Lester Hostetler, formerly of Upland, was received yesterday by the J. C. Mehl family.

While Rev. Hostetler was pastor of the Mennonite church here in 1928 and 1929, Teddy became known to many and the news was received here with much sorrow. Rev. Hostetler is now in charge of the Mennonite church at Sugar Creek, Ohio.

Dinner To Precede Woodcraft Meeting

Preceding the regular meeting of Upland Circle No. 899, Neighbors of Woodcraft, to be held on Wednesday night in the clubhouse of the Upland Woman's club, the members and their families will participate in a contributed dish dinner, beginning at 6:30.

During the lodge meeting later in the evening the recently elected officers will be installed.

WILLIAMS IN LOW BID TO CONSTRUCT CHURCH ADDITION

Presbyterians Will Order Work Started Soon on Construction

$10,000 WILL BE SPENT

Only Local Contractors Are Permitted to Figure on Job

Construction of a $10,000 addition to the Upland Presbyterian church will be started soon under the direction of Fred W. Williams, local contractor, as the result of the opening of bids and discussion of definite plans.

An outstanding feature in the building preparation was the officials' limitation of the bidding to only local contractors. It was specified that bids from only Upland contractors would be considered.

The proposed addition will consist of a stucco structure, two stories in height and a basement, joining the present church building on the east. The first floor will provide room for primary, beginners and intermediate departments and a kitchenette, with the junior department on the second floor. The basement will be unfinished and used for boys' work and recreational purposes.

Mr. Williams' bid was $10.200. A heating system was not included and the total estimated cost of the structure exceeds the total in the building fund. Changes are being planned to bring the cost within the budget bounds.

Dorothy Thompson Wins High Grades

Miss Dorothy Thompson, daughter of Mr. and Mrs. James C. Thompson, ranks among the 155 students of the University of Southern California who received no grade less than "B" during the past semester, according to Theron Clark, registrar of the institution, who has just completed a comparison of high grade students of the campus colleges at U. S. C.

Miss Thompson has made splendid records in all of her work at the university and recently she was elected to the national honorary journalistic sorority, Alpha Chi Alpha.

Mrs. Joe C. Hart entertained a small group of friends at a dainty little luncheon at her home on West street, Thursday. Among the guests were Mrs. Roy Kittle of Monrovia, Mrs. Arthur Brighton of Alhambra, and Mrs. James Shidler of El Monte.

FATHER, HOLDING BABY, LISTENS TO ROBBERY EVIDENCE

Three Men Held to Superior Court Trial in Hearing Here Today

CONFESSION IS MADE

Los Angeles Men Steal From W. E. Fuller Station on Foothill

Unable to realize that what Judge George R. Crane was saying would send his father to face a superior court judge and jury, a little boy today played and then slept on his father's lap.

One of three persons, charged with robbing the W. E. Fuller service station and lunch room on Foothill boulevard at Mountain avenue more than a week ago, Charles Brady held his son for the first time after being arrested, and listened to the preliminary hearing conducted here this morning.

Brady, Raymond Schooley and Bert Gregg, all of Los Angeles, were held to face trial in superior court on a robbery charge.

It was Brady who first confessed to Los Angeles police of robbing the local establishment. Brady said he was unable to get work to support his wife and two children and at the suggestion of one of his companions, they planned a robbery.

Leaving Los Angeles, the trio motored to San Bernardino and on the way picked out the Fuller station as their prey. They returned from the county seat early on the morning of May 7 and ransacked the Fuller place, taking slot machines and several cartons of cigarettes. They were arrested a few hours later in Los Angeles when two of the group were in the process of stealing gas.

Brady made his confession when J. F. Sawyer, local chief of police and Los Angeles authorities questioned him. Story from the lips of the other two varied and finally they admitted the local robbery.

Mrs. Brady, wife of the prisoner, wept in court as she saw her son and husband, and as she heard the written confession read. Other women, friends and relatives of the prisoners were there and were tense with emotion.

With the preliminary hearing over, the three were again placed in jail, and this afternoon Chief Sawyer returned them to the county jail to await the superior court trial.

Mr. Fuller, Chief Sawyer and Carmen S. Lehman, traffic officer, were on the witness stand.

Jaysee Students To Elect New Leaders

Four hundred and sixty jaysee students tomorrow morning will cast their votes for their prospective candidates in the annual school election for officers of next year's fall term. The election will mark the close of the most heated campaign in the history of Chaffey. Candidates will be picked for the offices of president, vice-president, secretary, treasurer, business manager, song leader, and athletic manager.

William "Bill" Clay, pictured above, son of Mr. and Mrs. W. B. Clay of East F Street, Ontario, being the only Chaffey-district nominee for the presidency, is expected to win the close election from his opponents, Melvin Hocker and Don Carson, who both live in Pomona.

Clay's backers, after careful consideration, nominated Bill as a logical candidate on the basis of his executive ability in both his high school and junior college career. While attending Chaffey high, he presided over his class both semesters as a junior and the first term as a senior.

The other candidates for the remainder of the offices include: Gilbert Stuckey and Genevieve Clark, vice-president; Evelyn Silzle and Helen Dunning, secretary; Rex Thomas and Mary Davenport, treasurer-business manager; Opal Presba and Clara Bird, song leader; and Hugh Garrison, Cecil Elrod and Arthur Sampson, athletic manager.

John Palmer of this city, accompanied by Wm. Cooper of Los Angeles and Robt. Spencer of San Bernardino, were fishing at Lake Arrowhead over the week-end.

AUXILIARY HOLDS FINAL MEETING

Reports of Committee Chairmen Made; 19 Organizations Represented

Receiving of reports from several committee chairmen occupied the attention of members of the Woman's Auxiliary of the San Antonio Community hospital when they gathered in the hospital library Monday afternoon for the final meeting before summer adjournment. Mrs. A. L. Weber, auxiliary president, presided at the meeting which was attended by representatives of 19 organizations.

Augmented by the $56 donations received during the open house on hospital day, treasury balance is $162.29, as reported by the treasurer, Mrs. Harold Latimer. The auxiliary voted unanimously to use $100 of the fund to pay on the new mattresses being bought for the hospital.

The free bed fund report made by Mrs. R. R. Harrington, showed that in April a loan of $102.23 was made from the checking account which now has a balance of $104.08.

There is now on hand in the baby fund checking account $41.89, 78 pennies having been brought in Monday, the report being made by Mrs. Mae Cable. Mrs. Earl Johnson's contribution to the fund this year from the sale of sweet peas totaled $15.

Mrs. J. H. Tracy gave the canned fruit report for March and April showing contributions of 27 1-2 quarts of fruit and 26 jars of jelly and marmalade.

There are now available at the hospital a large supply of empty fruit jars and they may be secured by anyone in the community who will fill them for hospital use.

Fresh fruit contributions reported by Mrs. Frank Newell, were two boxes of lemons and 24 boxes of oranges.

Miss Rose Wirshing, historian, reported that during 1930 local newspapers had devoted 344 inches of space to hospital news and appreciation of their cooperation was expressed.

The auxiliary will not meet again until in October.

Alhambra Celebration To Be Seen Tomorrow

Several from Upland will be in Alhambra tomorrow to witness that city's celebration of its fiftieth anniversary.

The visit will be made to see how other cities present historic celebrations and to obtain ideas for this city's Pioneer Pilgrimage.

JAYSEE DEDICATION, CELEBRATION AT CHAFFEY WILL ATTRACT THRONG

Opening of Junior Fair Will Add Interest and Crowds to Campus

OBSERVE ANNIVERSARY

Formation of Union High School District 20 Years Ago To Be Celebrated

Leading educators of the state, hundreds of alumni, active high school and college students, and grammar school students from all parts of the district will unite on the Chaffey campus Friday and Saturday in one of the most elaborate and complete programs.

Dedication of the first unit of the Chaffey junior college building will be a high light of the events. This dedication, the annual junior farm center fair and the annual Chaffey play-day have been united to form the celebration of the twentieth anniversary of the founding of the Chaffey union high school district.

"Something on Every Minute" is the terse description being given of the week-end program and a perusal of the detailed program, given elsewhere in today's Upland News, will reveal that such will be the case.

Representatives of the 100 organizations in the Chaffey district have been especially invited to be present for the program. Plans have been made to make the celebration a community affair and Ernest W. Fischer, in charge of arrangements, today asked that each organization be represented.

Dedication of the new junior college building will come at 4:30 oclock Friday afternoon, with Dr. Ralph Bush, president of the Junior College association of Southern California, delivering the dedicatory address.

The junior fair—known as the "biggest little fair in the world," will open its gates at 9 o'clock Friday morning and the many exhibits may be viewed until Saturday night.

Meeting of the grammar school students will be an outstanding feature due to the holding of the junior Olympics track and field meet. This event will come at 1:30 o'clock Saturday.

The public is invited to be on the campus for all the events and several hundred alumni of the Chaffey institutions will be present to meet old friends and renew acquaintances.

Alta Loma Business Men Plan to Build Houses For Workers

ALTA LOMA, May 19.—The Business Men's Association of Alta Loma held the semi-monthly meeting Monday night, with the president, B. H. Wilcox, conducting the meeting.

The main subject of the meeting was the discussing of future plans for the building of houses for the fruit workers of the packing houses. Definite plans will be taken up in the near future.

Last week the Armstrong's Nursery of Ontario presented to the business men of Alta Loma some shrubbery and plants for the purpose of beautifying the parking in the vacant lot north of the Pacific Electric building. The business men wish to express their appreciation for this splendid donation.

Local Business Firms Will Close on May 30

Upland business firms will close on May 30 in observance of Memorial day, Clair E. Kirk, chamber secretary, said in telling of the decision of the local business men's committee.

That day is Saturday and will mark the first of three "double holidays" during the vacation months. July 4, another holiday, comes on Saturday, and Labor Day, Sept. 7, comes on Monday.

SOURCE OF WATER SUPPLY STUDIED

Metropolitan District and Sewage Reclamation Are Considered

Method of obtaining an additional water supply for Upland was a subject receiving much thought today.

In Claremont tonight, Upland representatives will attend a meeting to consider the advisability of the district from Glendora to Etiwanda uniting as a unit in joining the Metropolitan Water district.

The Upland water advisory committee is to meet soon and further discuss the advisability of Upland joining the Metropolitan Water district. Date for this meeting has not been set.

Feasibility of reclaiming sewage water for use is also under consideration by Richard G. Manley, city service manager. This means of getting water was also discussed at the meeting of the Ontario city council last night.

Special Plans For Final Concert of Season at Chaffey

The Advertising Grafter

The advertising grafter is abroad in the land during these times as never before, which fact we glean from reading our exchanges and also by the number who call at the News office. These fellows never get the least encouragement when they "spill" their plan to us. In the first place, the price for the space is boosted at least twice the regular rate in order that the salesman can get what he thinks he ought to have. And in the second place, we have never considered they had anything to offer that was worth a cent to the advertiser. This newspaper is in the market to sell all the legitimate advertising space it can—but these "special pages" and "special campaigns" and write-ups don't get our approval, although the solicitor may say so.

The same tactics are used by some of the fellows who come along selling advertising services, in which is included some "canned" ads and cuts for illustrations. We know the Upland News is used either directly or indirectly by these salesmen—but without our approval. There is no use for any Upland merchant buying an advertising service of this kind, as The News buys an up-to-date advertising service, including illustrations that cover all lines of business—and we furnish this to our customers without charge to them.

The following from the LaHabra Star tells the story as it applies to Upland also:

"Every few weeks some bird blows into the Star office, gets a copy of the paper and announces that he is going out to sell some advertising for us. What he has to peddle is a so-called advertising service, made up of canned stuff and dinky illustrations. Everything about it is cheap—except the price. The publishers always discourage these fellows. They really have nothing worth while to offer. In the last three years not one has succeeded in selling anything here. The Star furnishes an advertising service ample for all lines. It costs the advertiser nothing, and can be worked in with the advertiser's own copy. The canned goods usually cost more than the space they occupy in the paper. Why throw good money away?"

When you read about that eighteen-year-old mother being held in jail for abandoning her week-old baby on a stranger's doorstep, the said mother having been deserted by the husband and father about three months previous to that time, it makes a fellow wonder why those law makers up at Sacramento are trying to make the death penalty easier by using gas instead of hanging. Hanging is too good for the vulture in human form who will prey upon a defenseless woman in such a manner as this. It's the father who ought to be made pay the penalty in such cases as this—but he will probably be permitted to continue his conscienceless practice of ensnaring innocent girls. Even a dog will not desert its own flesh and blood in time of need—but there are humans who will stoop to such degredation.

—o—

Athletes of the country always "set up and took notice" to anything the late idolized Knute Rockne said—hence the following from the Christian Science Monitor should interest them: "Thousands of boys will doubtless profit by a letter written by Knute Rockne to a West Virginia lad. In it the famous football coach said: 'My experience has shown that tobacco slows up the reflexes of athletes, lowers their morale and does nothing constructive.' It is safe to add that, if tobacco is such a handicap to anyone desiring to excel in sports, intoxicating liquor is even more so."

Boasting of the family tree is such a futile gesture. In the recent Los Angeles campaign a candidate stressed the fact that his great grandmother was the first president of the New Jersey W. C. T. U. But the Palisades Palisadian sagely remarks that he neglected to say that another great grandmother helped steal apples in the Garden of Eden.

And haven't you noticed by the signs along the highway that even "gals" have come down in price? According to the figures you can now get about ten for a dollar—but who wants more than one? A fellow may be tricked into taking one on account of the low price—but don't be fooled, boys, it's the upkeep that is expensive.

There's going to be a lot of folks disappointed if Mary Pickford and Douglas Fairbanks don't get divorced. Even though she has joined Doug in England, that won't be sufficient denial of estrangement. It's a wonderful thing to have a few married movie stars who don't live up to the reputation of the profession.

We see one of those modern girls is asking how to take cigaret stain from her fingers. The surest plan one could possibly suggest is to quit smoking "the filthy weed." And if she can't stand such treatment as that she might try putting her hands in dish water about three times a day.

As the San Bernardino Sun sees it: "If freight is all going to travel in trucks anyway, who not pave the railroad rights-of-way and leave the highways for automobiles?" As some of the truck and bus lines are owned by railroads, this would seem to be a very sensible suggestion.

"When a man marries he goes into the hands of a receiver," says the San Bernardino Evening Telegram, and could have truthfully added: And six weeks in the state of Nevada is all that it takes to relieve him of his responsibilities.

It seems that officers who are combing the country for the fiends who are killing innocent girls in certain Southern California cities ought to have a fine-tooth comb—or one with greater spread to it.

If a lot of the politicians could just be sure which side would draw the most votes they would have no trouble in making up their minds on this wet and dry proposition.

The girl who can handle a gas buggy may be all right, but we want to tip off the fellow who is looking for a wife to go after the girl who is an expert around the gas stove.

Notes of Society

Husbands Entertained By Pochiono Club

Finding their own regular meetings so enjoyable, members of the Pochiono club decided to share their pleasure with their husbands and on Friday night a merry party was given at the home of Mrs. H L. Presba, East E street, Ontario, the men being special guests.

Large baskets of brightly colored garden flowers lent a festive atmosphere to the rooms. The party began at 7:45 and for some time the group found entertainment at the bridge tables, Mrs. Ann Deverts winning high score prize, N. W. Brian taking second and Arthur Hoppich being awarded consolation.

After the awarding of the prizes a delightful evening collation was served at the quartet tables and while the guests were enjoying the delectable menu a charming musical program was presented. Two songs, "Just a Yearning for You," and "Come, For It Is Spring," were contributed by Mrs. Edna Barker; a violin trio, Misses Opal Presba, Elizabeth King and Mariam Hendrickson, played two numbers, "Memories" and "Old Fashion Girl," and Miss Presba sang "Love, Where Is My Heart." Miss Edith Strickling was accompanist for all of the numbers.

The hostesses for the happy evening were Mesdames Gertrude Presba, Effie Keen, Eva Brian, Eleanor Howell, Mabel Collins, and Frances Garner.

Attending the party were Mrs. Blanche Loch, Mrs. Isabelle Wisely, Mr. and Mrs. C. O. Deverts and Mr. and Mrs. H. C. Kennedy, of Upland; Mr. and Mrs. W. M. Welch and Mr. and Mrs. L. F. Collins, of Chino; Mr. and Mrs. Ben V. Garner and Mr. and Mrs. N. W. Brien, of College Heights; Mr. and Mrs. W. F. Keen, Mr. and Mrs. C. J. The bride and groom, unattended, took their place before the officiating minister, Dr. James A. Stavely, pastor of the Upland Methodist church, and exchanged the marital vows in the presence of about 25 relatives.

Merry Birthday Party Given For Mary Jean Vasbinder—

Sharing the pleasures of the day with a number of her playmates, Mary Jean Vasbinder happily celebrated her fourth birthday Saturday, May 16, when she was the hospitable little hostess at a lovely morning party given for her by her mother, Mrs. David L. Vasbinder, at their home, 732 First avenue.

The small guests were invited to come at 10 o'clock and until luncheon was served at 11:30 the children played merrily, choosing their own games and playing in the house or on the lawn as they pleased. Colored balloons with whistles attached proved popular toys with the little tots.

The gaily decorated luncheon table was a special delight to the little folk. In the center of the table was a Maypole wound with pink and yellow ribbons, the streamers radiating to each place and being attached to small boxes of individual sets of ball and jacks, the guest favors. Rose nut cups in the favored colors were used and a lovely yellow and white angelfood cake with pink icing, baked by Mrs. R. C. Norton, was topped with four pink candles. On the buffet was a bowl of choice coreopsis, the yellow of their blooms blending with the table decorations.

Mixed flowers were used throughout the rooms, one beautiful bouquet being a gift to Mary Jean from Jacqueline Grothe, and another from a friend in Laguna Beach. Mary Jean also received numerous other lovely gifts.

Guests invited to celebrate with Mary Jean were Sally Manker, Jeanne Kirk, Jacqueline Grothe, Anna Jean Schaefer, Gwendolyn Pounders and Ruth Richardson.

Little Patsy Jean Peters, two-year-old granddaughter of Mr. and Mrs. Roy Creighton, not only is as "cute as a kitten," but evidently is equal as gymnastic. Unlatching a French door at the home of her grandparents Sunday, Patsy took a tumble into the fish pond below—but she landed on her feet.

Evidently Patsy had fallen head first, striking her head on the stones about the pond and somersaulting into the water.

Aside from the abrasion and a few bruises, Patsy is as spry as ever today.

Bethany Union Aid To Sponsor Sunday School on Desert

A number of interesting matters were considered by the Bethany Union Ladies Aid society during the all-day meeting held at the church Friday, the most important being a decision to sponsor the organization of a Sunday school in the desert at some settlement to be selected by the field representative of the American Sunday School Union. The expense of organizing and establishing a Sunday school is $25, and this will be paid by the Bethany Union Aid as a part of its home missionary work. This will be the fourth such school established by the aid society.

Plans were made for the next meeting of the Aid society which will be held on Friday, May 29, at the home of Mrs. H. H. Kuhlman in Mira Loma. The members will meet at the church in the morning and conveyances will be provided for all to go to Mrs. Kuhlman's home. Each one will go prepared for a contributed dish luncheon and also will carry her own needlework.

At the noon hour Friday an enjoyable luncheon was served, the hostesses being Mrs. H. F. Rice, Mrs. Bert Collins and Mrs. T. E. Bray.

Miss Maude Forbes led the missionary lesson, a chapter in the book, "India Looks to Her Future," and considerable time was devoted to work on the quilt that the society is completing.

MANY GOOD FILMS ARE RECOMMENDED

Reviewing Committee's List For May Tells of Many Good Pictures

A number of interesting reviews are given in the May list of current motion pictures recommended by the picture reviewing committee of the General Federa- them being two labeled as out- the mbeing two labeled as outstanding. These are "Dirigible," a dramatic story of south polar exploration, a family picture; and "Seed," a dramatic picturization of thwarted mother love, adults and older adolescents. "Kiki," French comedy, its chief appeal being the star, Mary Pickford, all ages.

"Laugh and Get Rich," comedy of life in a boarding house, and "Shipmates," a comedy-romance of the navy, are both good family pictures.

Among the "short subjects" are a pleasing number of good pictures, some recommended for all ages and junior matinee, some listed as family pictures, and others as good for all ages, the ratings in some cases seeming to carry a distinction without much difference.

Motorist Loses Cash and Watch to Hiker

Giving a hiker a "boost" cost C. F. Kienzle, San Bernardino, $22 in cash and a wrist watch, it was reported to Upland police today. Coming to Upland on the Foothill boulevard from the county seat, Kienzle reported he picked up an American, about 22 years of age.

When he stopped to let the passenger out at Second avenue, a gun was displayed and the money and watch taken.

"Doctors' Wives" To Be Shown Wednesday; "Father's Son" Ends

The jealousies and doubts of a doctor's wife and the rivalry she feels toward her husband's many beautiful patients are depicted in Warner Baxter's newest picture, "Doctors' Wives," which will be shown at the Upland theater Wednesday and Thursday.

Joan Bennett is the wife of the noted surgeon in the story, with Victor Varconi and Cecilia Loftus heading the supporting cast.

Showing of "Father's Son" ends tonight after opening Monday. Lewis Stone, Leon Janney and Irene Rich are the stars. In addition to the featured pictures, comedies and novelties are scheduled and the complete shows are among the best offered for early week entertainment.

Headlining the coming attractions is "Trader Horn," which will be shown five days, commencing May 31. Douglas Fairbanks in "Reaching for the Moon" will be seen May 24, 25 and 26. Bert Wheeler and Robert Woolsey will be here in "Cracked Nuts" early next month.

Freiburg Passion Play at Redlands For Three Nights

Seven centuries of tradition and development and four hundred years of inheritance are represented in the Freiburg Passion Play, of Freiburg, Baden, Germany, which will be produced at the Redlands bowl, Redlands, on the evenings of May 23, 25, 26, under the auspices of the speech department of the University of Redlands.

Adolph Fassnacht, who portrays the Christus during his week of passion, suffering, death and triumph, is the eighth Fassnacht in direct descent to portray the role. Since 1760 A. D the role has been jealously guarded as a Fassnacht heritage, each successive generation striving to improve itself in the part and bring a deeper spiritual and artistic significance to the presentation of the triumph of the Man of Sorrows.

Mr. Fassnacht is supported by a company of thirty-six principals, members of the original German company which two years ago began their American tour. Many of these have in like manner inherited their parts from preceding generations. Because no company could possibly carry the huge number of people necessary for the mob and crowd scenes which make so colorful a background for the acting of the principals, one hundred and thirty local actors and singers will be given an opportunity to appear with the noted German cast. Skilled stage directors from the company will train these "extras" well in advance of the presentation.

Program on Child Welfare Features W.C.T.U. Meeting

A child welfare program with Mrs. W. F. Goodban as the principal speaker, featured the meeting Friday of the Woman's Christian Temperance Union held at the home of Miss Luella Love on Euclid avenue, Mrs. J. F. Gundy being co-hostess.

The regular business meeting was held in the morning, followed by a contributed dish luncheon.

During the afternoon program Mrs. W. F. Goodban discussed the ways in which temperance may be taught to children in the regular Sunday schools and in the vacation Bible schools, and the benefits to be derived from such instruction.

Mrs. D. H. Ward, child welfare director for the W. C. T. U., told of the recent White House conference on child welfare held by President Hoover and of some of the things accomplished.

By no means the least enjoyable part of the program, two piano numbers were given by Charlotte Browning, Ruth Ward contributed two songs and Dorothy Jean Neilson gave two readings.
